

# DFS Edge

## Information Sheet

**Problems getting stock levels?**  
**Visit [www.support.wetstock.co](http://www.support.wetstock.co) for guidance.**

### What is a DFS Edge?

Your DFS Edge device records real-time wetstock data and sends it automatically to the Dover Fueling Solutions UK centre for analysis.

### What does my DFS Edge look like?

The DFS Edge is a small black box, measuring 12 cm x 12 cm x 2.5 cm.

Blue LED light (small) shows disk activity.  
In normal operation, this light should be on

USB ports

Power  
socket

USB Port

Network port to  
connect to a  
broadband router

Power button

*To switch off, hold down for 7-10 seconds  
until the blue LED light goes out.*
